

# Shadow Demons Saga Reading Order

Please note that while you can read Books 1-10 of the Shadow Demons Saga straight through and skip the side stories, I promise you'll get a lot more out of this world if you read everything! Here is the best reading order for everything Shadow Demons-related.

#1 Beautiful Demons

#2 Inner Demons

#3 Bitter Demons

#4 Shadow Demons

#5 Rival Demons

#6 Demons Forever

Here is where you have a choice. You can move straight on to Book #7 here, but you will miss some really fun parts of the overall story and some key elements in the timeline. If you want to read everything in the Demons world, I recommend, you read the following books in this order before continuing on to Book #7.

Sacrifice Me, The Complete Season One

*Contains all six original episodes of Sacrifice Me. The Demon, The Dream, The Darkness, The Dying, The Devil, and The Doorway*

After Midnight

A side story featuring Allison from the original Demons books.

A Demon's Wrath

This is a mix of past and present, telling Jackson's back story and including a huge moment between Jackson and Harper in the present. Don't skip this one! Trust me!

Prequel Story.

These were just 4 short scenes I posted to my blog in anticipation of Emerald Darkness's release. You can still read them free on my site.

#7 Emerald Darkness

#8 Forgotten Darkness

#9 Beyond The Darkness

Another timeline note here! Sacrifice Me, Season Two and Deceiving Darkness (Shadow Demons 10) happen concurrently, meaning they are taking place at exactly the same time. You can read either of these after Beyond The Darkness, but if you want to get the best reading order, I would read them as I have them listed here, with SM Season 2 first and then Deceiving Darkness. You'll see where the timelines converge at the end of Deceiving Darkness.

Sacrifice Me, Season Two: Part 1

Sacrifice Me, Season Two: Part 2

#10 Deceiving Darkness

#11 Vengeful Darkness
